Top apprentice awarded

A BOX Hill affordable housing group is celebrating after one of its apprentices scooped up a trade award.

Chantelle Molloy works for Community Housing Ltd, and has just been named the Outstanding First Year Apprentice by Holmesglen

TAFE for her excellence in academics, on-the-ground skills and "can do" attitude.

Ms Molloy, 34, is completing a Certificate III in Horticulture and doing her apprenticeship with the company's internal maintenance unit, as well as being part of a

four-member team that does garden maintenance on more than 130 properties.

Community Housing Ltd managing director Steve Bevington said it was "wonderful to see that Chantelle's hard work has got her the recognition it deserves".
